# MATERIALS

Our gloves are mainly made of 3 main types of fabrics. These 3 fabrics that we focus on are leather, which gives an incomparable finish and comfort. The textile is also used a mixture of polymers that generate great resistance to abrasion. And to conclude, a mixture of both to generate high quality gloves in protection and comfort

LEATHER

LEATHER + TEXTILE

TEXTILE

## SIZE CHART

Wrap a measuring tape **around your hand** behind the knuckles, not including the thumb, keeping the tape snug. Measure both left and right hands and use larger of the two measurements.

SIZES	MAN	LADY
XS		16,5 - 17,8 CM
S	17,8 - 20,3 CM	17,8 - 19 CM
M	20,3 - 21,6 CM	19 - 20,3 CM
L	21,6 - 22,9 CM	20,3 - 21,6 CM
XL	22,9 - 24,1 CM	21,6 - 22,9CM
2XL	24,1 - 25,4 CM	
3XL	25,4 - 27,9 CM

## CERTIFIEDS & PROTECTIVE INFORMATION

The LS2 GLOVES line are think to be ready to wear and ride. All our gloves has passed the CE certified EN: 13594 standard "Protective gloves for motorcyclists" defines the precise, replicable framework based on scientific studies of accidentology for the conduct of tests to certify a protective glove for motorcyclists. The 2003 version of standard EN 13594 has been replaced by version EN13594 :2015; it no longer refers to "professional motorcyclists" only, but now applies to all two-wheel motorists. The gloves are designed to protect motorcyclists from the external elements without excessively hindering the dexterity of the user in operating the controls and the motorcycle switches. In addition, the gloves are designed to ensure the mechanical protection of the hands and wrists in case of an accident.

**Level 1:** Minimum level to ensure effective protection in case of an accident and to provide an optimum level of comfort for all types of driving.

**Level 2:** Designed to ensure elevated performance levels of protection in relation to the type of driving.

## HIGHLIGHTS

SPRING

SUMMER

AUTUMN

Visor wiper.

Knuckle & finger Protection.

Superfabric reinforcement at palm.

Silicone gripping print at palm.

Finger bridge protecting.
